

VERITAS FACT-FINDING SERIES – EPISODE #77

September 28th, 2021 – 11:00AM EST

Julie Van Der Lugt
Principal at ManageAir

- Tell us about yourself, how you got into the business and why?
- What changes have you seen in the business/themes since you started.
- Let's discuss the time pre-COVID and how COVID and regulations changed things
 - o First what are the regulations in GTA, Florida and any other area that you work in?
 - o Second, are they being followed?
 - o Has there been any enforcement?
 - o What do you think will happen?
- What does the marketplace look like now
 - o Can investors make ends meet without AirBnB rental rates
 - o How important is AirBnB to rental market/real estate market as a whole.
- There is lots of pressure on AirBnB?
 - o Do you think it will ever go away?
 - o Seems condo corps, neighbourhoods, media, governments don't like it.
 - o What do you see happening in the future?
- What are the best
