**Robert McLister,
Founder, RateSpray.com | Mortgage Editor, Rates.ca**

For 13 years Rob has dedicated himself to informing mortgage consumers and professionals. He's written 2,500+ mortgage articles for RateSpy.com and Canadian Mortgage Trends and spent the last eight years as The Globe and Mail's mortgage columnist. Rob is frequently quoted throughout the media and a prominent advocate for greater transparency and more sensible regulation in the mortgage industry. In 2011, he launched two well-known mortgage fintechs: mortgage comparison website RateSpy.com and digital mortgage broker IntelliMortgage Inc. The former is Canada's first and only source to compare all publicly advertised prime mortgage rates. The latter is Canada's leading online mortgage provider for self-directed borrowers. Both companies were acquired in 2019 by Kanetix Ltd.
